Key roles and responsibilities for SEM implementation

**Provost: SEM Leadership**

SEM is a major priority for the VPAC portfolio. The Provost will lead the SEM implementation process and serve as the Chair of the Enrolment Management Working Group.

**AVP Student Affairs: SEM Management**

AVP Student Affairs will manage and coordinate the work of the committees with the support of the EMWG.

**Deans' Council: SEM Engagement**

Deans' Council will play an oversight role in receiving regular updates on the SEM implementation process for their feedback and guidance. Individually, Deans may play a critical role in prioritizing and/or supporting funding requests for SEM tactics as part of the Academic Resource Planning process.

**Committee Chairs: SEM Implementation**

The Committee Chairs will be responsible for reviewing, prioritizing, and then implementing tactics for each year of the SEM process.

Committee Chairs: SEM Implementation

The Committee Chairs will be responsible for reviewing, prioritizing, and then implementing tactics for each year of the SEM process.
We are proposing four new committees be established:

- Undergraduate Student Retention and Success Implementation Committee
- Undergraduate Student Recruitment and Conversion Implementation Committee
- Graduate Student Recruitment, Retention and Success Implementation Committee
- Indigenous Student Recruitment, Retention and Success Implementation Committee

Membership of these committees will include representatives from: USEC, Senate, Deans' Council, Associate Deans, Faculty members, Institutional Planning and Analysis, elected student representatives, and staff from support units across campus. Membership will rotate from year to year.
Reconstituting these committees will provide us with an opportunity to:

1. Ensure the committee structure allows for broad institutional participation while remaining efficient in our work.

2. Update committee membership in order to ensure participation from those who will play a key role in implementing Year 1 and 2 tactics.

3. Provide opportunities for members of our community who have not been directly involved in SEM but have shown interest in contributing to the process.
Ongoing Communications and Engagement

1. Regular updates on the implementation of SEM will occur from the Provost at Executive Council and from the AVP Student Affairs to Deans' Council and President's Advisory Committee.

2. Continued use of campus media to provide updates and identify key activities/events on campus that support SEM goals/strategies/tactics.

3. Provost will host an Annual SEM Meeting to encourage dialogue and discussion around progress towards our stated goals.
